BLUE LOT DIAGRAM - PREGAME PARKING ROUTE

- New Roadway
- New Grass
- Existing Grass
- Existing D & E Lots - General Admission RV Parking
- Hospital Construction Fence (No Parking)
- Construction Laydown Area (No Parking)
- 1-39** Front Row Parking
- X** Blocked Entrance

Once pregame timing dictates flagged parking, rows will be filled starting in section C2 working south to north. As sections are filled, flagged parking will continue to other sections to the east and west.

Starting with the 2014 season, there will be no thru-traffic permitted on Med Center Drive (in front of Ruby Memorial Hospital). Previously, thru traffic without a blue lot permit was permitted; however, given the new hospital roadway, Med Center Drive will be open only to blue lot permit holders.
